BTFA 20th Annual Bowen Therapy Conference 2017

Dear Colleague,

It is our great pleasure to invite and welcome you to attend this year's 20th Bowen Therapy Conference in Perth on the 13th to 15th October.

The theme of this year's conference is "**Bowen Worth Sharing**".

From the very beginning where Tom shared his work with his 'boys', to Bowen Therapy experiencing an international expansion from 1988 and continuing today with various teachers taking this modality worldwide. We as practitioners are influenced by our individual skills and backgrounds to evolve Bowen and our willingness to share this with others, shows the true colours of who we are and help pave the way for the future. We can all be very proud of where we are today and excited about where we are headed.

This will be a marvellous conference to share new ideas, remember existing ideas, and compliment our Bowen with other modalities. Our confirmed speakers are Matt Hudson, Russell Sturgess, Brian Smart, Barry Vautier, Chris Heppeler, Maya Zenith, Marianne Grainger, Jenny Parker, Jane Newton, Molly Tipping, and Ute Coleman. More information to come soon.

Registration includes Friday night drinks and finger food, all day Saturday and Sunday conference presentations, morning and afternoon tea and lunch, Saturday Gala Dinner and entertainment.

Please join us to meet with your peers, vendors and leaders in this opportunity to learn, share and network. We look forward to sharing with you at the conference.

Kind regards
